On May 10, 2011, at 9:30 a.m. Central Time, in the above-captioned cases, a hearing was held on the Motion for Orders (i) Scheduling a Hearing on Stalking Horse Bids; (ii) Approving Stalking Horse Protection Fees; (iii) Approving Form of Stalking Horse Asset Purchase Agreements; (iv) Approving Form and Manner of Sale Notice and Cure Notice; (v) Authorizing Debtors to Sell Assets Free and Clear of Liens, Claims, Interests and Encumbrances; and (vi) Authorizing Assumption and Assignment of Unexpired Leases and Executory Contracts and Establishing Cure Costs (the "Sale Motion"), filed by Duke and King Missouri, LLC, as one of the debtors and debtors-in-possession (the "Debtor", and together with each of the other debtors-in-possession in these administratively consolidated cases, the "Debtors"). Strategic Restaurants Acquisition Company II, LLC (the "Buyer") has been named as the Successful Bidder at the

Group One Auction for the Acquired Assets that are identified in that certain Asset Purchase Agreement dated April 8, 2011, by and between the Debtor and the Buyer (together with all exhibits and schedules thereto, the “Purchase Agreement”).¹ The Purchase Agreement is attached hereto as Exhibit 1.

Appearances were noted on the record.

Based on the notice of Sale Motion and Sale Motion, the memorandum of points and authorities and declarations in support thereof, the documents and pleadings on file herein, all judicially noticeable facts, the arguments and representations of counsel, and such other evidence as was presented at the scheduled hearing:

IT IS HEREBY FOUND AND DETERMINED THAT:²

A. This Court has jurisdiction to consider, determine and approve the sale (the “Sale”) of the Acquired Assets (as defined in the Purchase Agreement), free and clear of all liens, liabilities, claims, interests, and encumbrances identified in the Purchase Agreement, and to authorize and direct the Debtor, on behalf of its bankruptcy estate, to enter into and perform in accordance with the Purchase Agreement.

B. This Court has jurisdiction to hear and determine the Sale Motion pursuant to 28 U.S.C. §§ 157(b)(1) and 1334. The Sale Motion is a core proceeding pursuant to 28 U.S.C. §§ 157(b)(2)(A), (N), and (O). Venue of the Chapter 11 Case and the Sale Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

C. The statutory predicates for the relief requested in the Sale Motion are 11 U.S.C. §§ 105, 363 and 365, and Rules 2002, 6004, 6006, and 9014 of the Federal Rules of Bankruptcy Procedure.

D. This Court entered the Order Approving Sale and Bidding Procedures on January 24, 2011 [Docket No. 137] (the “Sale Procedures Order”) which provided, among other things,

¹ All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement and the Sale Motion, as applicable.

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. *See* Fed. R. Bankr. 7052.

for an auction of the Acquired Assets should qualified bidders comply with the Sale Procedures Order and submit competing bids (the “Group One Auction”). The Debtor and the Buyer have complied with the Sale Procedures Order in all respects.

E. Pursuant to the Sale Procedures Order, the Debtors timely received 1 Qualified Bid for the Missouri Region on or before April 19, 2011, and the Group One Auction was conducted on April 26, 2011, by the Debtors, in consultation with their advisors and investment banker, Mastodon Ventures, Inc. The Sale Procedures Order (as amended)³ set May 10, 2011 as the date of the hearing (the “Sale Approval Hearing”) for approval of the Sale as contemplated by the Purchase Agreement.

F. On April 11, 2011, the Debtor filed the Sale Motion and served copies of the Sale Motion in compliance with Local Rule 9013-3(a)(2).

G. On April 18, 20, and May 3, 2011, the Debtor duly and timely served the Notice of Sale Approval Hearing (the “Sale Notice”) in compliance with the Stalking Horse Order. On April 18, 20, and May 3, 2011, the Debtor duly and timely served the Notice Concerning Unexpired Leases and Executory Contracts and Establishing Cure Costs on the counterparties to such leases and contracts, including all counterparties to the Acquired Contracts.

H. Based upon the foregoing and the certificates of service and publication filed with this Court, due, proper, timely, adequate and sufficient notice of the Sale Motion, the initial hearing on the Sale Motion, the Group One Auction, the Sale Approval Hearing, the Sale of the Acquired Assets, the proposed assumption and assignment of the Acquired Contracts and the proposed rejection of the contracts has been provided in accordance with sections 102(1), 363(b) and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006, 9007 and 9008 and in compliance with the Sale Procedures Order and no other or further notice of the Sale Motion, the initial hearing on the Sale Motion, the Group One Auction, the Sale Approval Hearing, the Sale of the Acquired Assets, the proposed assumption and assignment of the Acquired Contracts or the entry of this Sale Approval Order is required or necessary.

³ The timeline set forth in the Sale Procedures Order was subsequently amended by stipulation.

I. The Sale Notice was duly served by the Debtor on (i) all creditors and interested parties, including parties requesting special notice, required to receive notice pursuant to Bankruptcy Rule 2002(i), (ii) each entity or person known to the Debtor to assert a lien, encumbrance, claim or other interest in or to the assets to be affected by this Order, (iii) all Acquired Contract counterparties including notice regarding the relevant Cure Costs; (iv) the Internal Revenue Service and all state and local taxing authorities in jurisdictions where the Debtor has or may have any tax liability, and (v) the Office of the United States Trustee, all in accordance with Bankruptcy Rules 2002(a)(2), 2002(c)(1), 2002(i), 2002(k), 6004(a) and 6004(c). The Sale Notice (i) complied in all respects with the requirements of the Bankruptcy Code and the Bankruptcy Rules and any applicable local rule, (ii) fully and adequately described the relief requested in the Sale Motion, (iii) provided fair and reasonable notice under the circumstances of the Chapter 11 Case with respect to the deadlines and procedures for objecting to the relief requested in the Sale Motion, and (iv) set forth the time, date and place for the hearing on the Sale Motion, and an opportunity to request a hearing.

J. All parties in interest, including, without limitation, Bank of America, Burger King Corporation, all parties who claim an interest in or lien upon the Acquired Assets, all counterparties to the Acquired Contracts, all shareholders of the Debtors, all federal, state and local environmental authorities, and all U.S. or foreign federal, state and local governmental taxing authorities who have, or as a result of the Sale of Acquired Assets may have, claims, contingent or otherwise against the Debtors, have been given a reasonably opportunity to object and be heard, regarding the relief requested in the Sale Motion (including assumption and assignment of the Acquired Contracts and the Cure Costs). All objections to the Sale Motion and to approval of the Purchase Agreement, including the transactions contemplated thereby, were resolved, withdrawn or overruled at the Sale Approval Hearing.

K. As demonstrated by the testimony or other evidence proffered or adduced at the Sale Approval Hearing: (i) the offer from the Buyer constitutes the highest and best offer for the Acquired Assets; (ii) the Debtors conducted an auction process in accordance with, and have

otherwise complied in all respects with, the Sale Procedures Order; (iii) the auction process set forth in the Sale Procedures Order afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Acquired Assets; and (iv) the Group One Auction was duly noticed and conducted in a non-collusive, fair, and good faith manner and a reasonable opportunity has been given to any interested party to make a higher and better offer for the Acquired Assets.

L. The Group One Auction was held in accordance with the Sale Procedures Order.

M. The Debtor engaged in fair and reasonable marketing, advertising and other sales efforts and procedures in connection with the Sale of the Acquired Assets, which efforts and procedures have enabled the estate to obtain a fair and reasonable price for the Acquired Assets under the circumstances of the Chapter 11 Case.

N. In accordance with the Sale Procedures Order, the Purchase Agreement was deemed a Qualified Bid (as defined in the Sale Procedures) and the Buyer was eligible to participate at the Group One Auction.

O. The Purchase Agreement constitutes the highest and best offer for the Acquired Assets, and will provide a greater recovery for the Debtor's estate than would be provided by any other available alternative for the Acquired Assets. The Debtor's determination that the Purchase Agreement constitutes the highest and best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtor's business judgment.

P. The Purchase Agreement represents a fair and reasonable offer to purchase the Acquired Assets under the circumstances of the Chapter 11 Case. No other person or entity or group of entities has offered to purchase the Acquired Assets for greater economic value to the Debtor's estates than the Buyer.

Q. The purchase price as set forth in the Purchase Agreement (the "Purchase Price") for the Acquired Assets is fair and reasonable, and constitutes reasonable consideration and reasonably equivalent value (as those terms are defined in each of the Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and section 548 of the Bankruptcy Code)

under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, and the District of Columbia. Approval of the Purchase Agreement and the Sale of the Acquired Assets in accordance with this Order and the Purchase Agreement are in the best interest of the Debtor's estate, creditors and other parties in interest. The terms of the Purchase Agreement were negotiated at arms' length and are fair and reasonable under the circumstances.

R. The Purchase Agreement was not entered into for the purpose of hindering, delaying or defrauding creditors or any other party under the Bankruptcy Code or under the laws of the United States, any state, territory, possession or the District of Columbia. Neither the Debtor nor the Buyer is entering into the transactions contemplated by the Purchase Agreement fraudulently for the purpose of statutory and common law fraudulent conveyance and fraudulent transfer claims.

S. The Debtor has demonstrated compelling circumstances and good, sufficient and sound business purposes for the Sale of the Acquired Assets pursuant to section 363(b) of the Bankruptcy Code outside of a plan of reorganization.

T. The Debtor (i) has full corporate, limited liability or other power to execute, deliver and perform its obligations under the Purchase Agreement and all other documents contemplated thereby or entered into in connection therewith, and the Sale of the Acquired Assets by the Debtor has been duly and validly authorized by all necessary corporate, limited liability or similar action, and (ii) has taken all action necessary to authorize and approve the Purchase Agreement and such other documents contemplated thereby and the consummation by them of the transactions contemplated thereby or entered into connection therewith. No third-party approvals, other than those expressly provided for in the Purchase Agreement, if any, are required by the Debtor to consummate such transactions.

U. The Debtor is authorized and directed to sell and transfer the Acquired Assets free and clear of the Released Liens, Claims and Interests (as defined in paragraph 12 below) because it has satisfied the requirements of section 363(f) of the Bankruptcy Code.

V. Those holders of Claims (as defined in paragraph 12 below) against the Debtors, their estates or any of the Acquired Assets who did not object, or who withdrew their objections, to the Sale or the Sale Motion are deemed to have consented to the Sale pursuant to section 363(f)(2) of the Bankruptcy Code. The Debtor has met the requirements of section 363(f) with respect to all other holders of Claims as such Claim holders will have their Claims, if any, in each instance against the Debtor, or the Debtors, as applicable, including their estates or any of the Acquired Assets, attach to the net cash proceeds of the Sale ultimately attributable to the Acquired Assets, in which such creditor alleges a Claim, in the same order of priority, with the same validity, force and effect that such Claims had prior to the Sale, subject to any claims and defenses the Debtor, or the Debtors and their estates, as applicable, may possess with respect thereto.

W. The Buyer would not have entered into the Purchase Agreement and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtor, its estate and its creditors, if the Sale of the Acquired Assets to the Buyer, the assumption of liabilities and obligations as set forth in the Purchase Agreement by the Buyer and the assignment of the Assumed Leases and Acquired Contracts were not free and clear of all Released Liens, Claims and Interests.

X. The Purchase Agreement was negotiated, proposed and entered into by the parties in good faith, from arms' length bargaining positions and without collusion.

Y. The Debtor has complied with the procedures for notice and Sale of the Acquired Assets as set forth in the Sale Procedures Order.

Z. The Buyer is not an "insider" or "affiliate" of the Debtors (as each such term is defined in the Bankruptcy Code). Neither the Debtor nor the Buyer, nor any of its and their respective affiliates or representatives, have engaged in any conduct that would prevent the application of section 363(m) of the Bankruptcy Code or cause the application of section 363(n) of the Bankruptcy Code to the Sale and the transactions contemplated by the Purchase Agreement. Specifically, the Buyer has not acted in a collusive manner with any person or entity

and the aggregate Purchase Price paid by the Buyer for the Acquired Assets was not controlled by any agreement among the bidders, or otherwise.

AA. The Buyer is entitled to the protections afforded under section 363(m) of the Bankruptcy Code because the Buyer is a good faith purchaser in that, *inter alia*: (i) except as set forth in the Sale Procedures Order, the Buyer recognized that the Debtors were free to deal with any other party interested in acquiring the Acquired Assets; (ii) the Buyer complied with the provisions in the Sale Procedures Order; (iii) the Buyer agreed to subject its bid to the competitive bidding procedures set forth in the Sale Procedures Order; (iv) the Buyer in no way induced or caused the chapter 11 filings by the Debtors; (v) all payments to be made by the Buyer in connection with the Sale have been disclosed; (vi) no common identity of directors or controlling stockholders exists between the Buyer and any of the Debtors; and (vii) the negotiation and execution of the Purchase Agreement was at arms' length and in good faith.

BB. In the absence of a stay pending appeal, if any, if the Closing occurs at any time after entry of this Order, then, with respect to the Purchase Agreement, the Buyer, as a purchaser in good faith of the Acquired Assets, shall be entitled to the protections of section 363(m) of the Bankruptcy Code if this Order or any authorization contained herein is reversed or modified on appeal.

CC. The Debtor is the sole and lawful owner of the Acquired Assets. Effective as of the Closing, the transfer of the Acquired Assets is or will (i) be legal, valid and effective transfers of property of the Debtor's estate to the Buyer, as more particularly set forth in the Purchase Agreement, and (ii) vest the Buyer with all right, title, and interest of the Debtor and the Debtor's estate in and to the Acquired Assets free and clear of all Released Liens, Claims and Interests (as defined in paragraph 12 herein) under sections 363(f) and 105 of the Bankruptcy Code.

DD. The Debtor has demonstrated that it is an exercise of its sound business judgment to assume and assign the Acquired Contracts, each as defined in the Purchase Agreement and described in Schedule 1.1(g) to the Purchase Agreement and as identified in Exhibit 2 to this

Order, including any amendments or modifications to such exhibits as agreed to by the Debtor and Buyer pursuant to the Purchase Agreement, in connection with the consummation of the Sale of Acquired Assets, and the assumption and assignment of the Acquired Contracts is in the best interests of the Debtor, its estate, its creditors and its equity holders.

EE. The Acquired Contracts being assigned to the Buyer as set forth in the Purchase Agreement are an integral part of the Debtor's businesses being purchased by the Buyer and, accordingly, such assumption and assignment of the Acquired Contracts is reasonable, enhances the value of the Debtor's estate, and does not constitute unfair discrimination.

FF. The Acquired Contracts are unexpired leases and executory contracts, as applicable, within the meaning of the Bankruptcy Code.

GG. All amounts that are required to be paid in connection with the assumption and assignment of the Acquired Contracts that are due or owing under sections 365(b)(1)(A) and (B), and 365(f)(2)(A) of the Bankruptcy Code to (i) cure any defaults under the Acquired Contracts specified in this Order or (ii) pay all actual or pecuniary losses that have resulted from such defaults, are set forth on Exhibit 2 hereto (the "Cure Costs").

HH. Any objections to the Cure Costs associated with such Acquired Contracts are resolved as set forth on Exhibit 2 to this Order. To the extent that any counterparty failed to timely object to (i) the proposed assumption and assignment of the applicable Acquired Contract, or (ii) the Cure Cost associated with the applicable Acquired Contract, such counterparty is deemed to have consented to such Cure Cost and the assumption and assignments of its respective Acquired Contract to the Buyer as expressly set forth on Exhibit 2 to this Order.

II. The promises of the Debtor to pay the Cure Costs (in accordance with the Purchase Agreement) and the Buyer's promise to perform the obligations under the Acquired Contracts after the Closing (in accordance with the Purchase Agreement) shall constitute adequate assurance of the Buyer's future performance under the Acquired Contracts specified in this Order that are being assigned to the Buyer within the meaning of sections 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code.

JJ. Adequate notice and opportunity to be heard was provided to counterparties to executory contracts and unexpired leases to be assumed and assigned pursuant to this Order. Further, counterparties received adequate notice and an opportunity to object to the amount of any Cure Costs owed by the Debtor's estate on account of the Real Property Leases and the Acquired Contracts to be assumed and assigned to the Buyer under the Purchase Agreement, and as identified in attached Exhibit 2.

KK. The assumption and assignment of the Acquired Contracts is integral to the Purchase Agreement and is in the best interests of the Debtor and its estates, creditors and equity holders and represents the exercise of the Debtor's sound business judgment.

LL. Any objections to the assumption and assignment of any of the Acquired Contracts to the Buyer are hereby overruled.

MM. Neither the Buyer nor its affiliates shall be deemed, as a result of any action taken in connection with the purchase of the Acquired Assets, to: (i) be a successor (or other such similarly situated party) to any of the Debtors (other than with respect to the Assumed Liabilities as expressly stated in the Purchase Agreement); (ii) have, *de facto* or otherwise, merged with or into any of the Debtors; (iii) be a mere continuation of the Debtors or their estates (and there is no continuity of enterprise between the Buyer and the Debtors); or (iv) be holding itself out to the public as a continuation of the Debtors. The Buyer is not acquiring or assuming any liability, warranty or other obligation of the Debtors, except as expressly set forth in the Purchase Agreement with respect to the Assumed Liabilities.

NN. The Debtor has good, valid and marketable title to all of the Acquired Assets. The Acquired Assets are to be transferred free and clear of any and all Released Liens, Claims and Interests (as defined in paragraph 12 below). All of the Acquired Assets are, or will on the Closing Date, be owned by the Debtor and will be transferred to the Buyer under and pursuant to the terms of the Purchase Agreement.

OO. All objections, if any, to the Sale Motion and to approval of the Purchase Agreement, including the transactions contemplated thereby, have been withdrawn, resolved or overruled.

Accordingly, and for good cause appearing therefor,

IT IS HEREBY ORDERED:

General Provisions

1. The Sale Motion is granted in its entirety, subject to the terms and conditions set forth in this Order.

2. This Court's findings of fact and conclusions of law, set forth in the Sale Procedures Order, are incorporated herein by this reference.

4. Notice of the Sale Approval Hearing was fair, proper and sufficient under the circumstances and complied in all respects with 11 U.S.C. § 102(1) and Bankruptcy Rules 2002, 6004, and 6006 and the local rules.

Approval of the Purchase Agreement and Sale

5. The terms, conditions, and transactions contemplated by the Purchase Agreement and all other ancillary documents are hereby approved in all respects.

6. The Debtor is hereby authorized and directed under 11 U.S.C. §§ 105(a) and 363(b), (c), (f), (m) and (n) to sell the Acquired Assets to the Buyer without further order of this Court.

7. The Debtor is hereby authorized, empowered, and directed to (i) perform under, consummate, and implement the Purchase Agreement, (ii) execute all additional instruments and documents that may be reasonably necessary or desirable to implement the Purchase Agreement and the transactions contemplated thereby, (iii) take all further actions as may be necessary or

appropriate for the purposes of assigning, transferring, granting, conveying, encumbering or transferring the Acquired Assets as contemplated by the Purchase Agreement, and (iv) take such other and further steps as are contemplated by the Purchase Agreement or reasonably required to fulfill the Debtor's obligations under the Purchase Agreement, all without further order of this Court.

8. The Sale of the Acquired Assets and the assumption and assignment of the Acquired Contracts identified in attached Exhibit 2 and the consideration provided by Buyer under the Purchase Agreement is fair and reasonable and shall be deemed for all purposes to constitute a transfer for reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act, and any other laws, rules or regulations of the United States, any state, county, township city, municipality, territory or possession, and the District of Columbia.

9. The Buyer shall not be required to seek or obtain relief from the automatic stay under Bankruptcy Code section 362 to enforce any of its remedies under the Purchase Agreement or any other Sale related document. The automatic stay imposed by Bankruptcy Code section 362 is modified solely to the extent necessary to implement the preceding sentence and the other provisions of this Order.

10. The validity of the Sale approved hereby shall not be affected by the appointment of a trustee or successor trustee, the dismissal of the Chapter 11 Case, or its conversion to another chapter under title 11 of the United States Code. This Order shall be binding in all respects upon the Debtor, its bankruptcy estate, all creditors of, and holders of equity interests in, the Debtor, all holders of liens, claims or other interests in, against or on all or any portion of the Acquired Assets (whether known or unknown), the Buyer, and all successors and assigns of the Buyer upon conversion of the Debtor's Chapter 11 Case from chapter 11 to chapter 7. This Order and the Purchase Agreement shall inure to the benefit of the Debtor's estate and its creditors, the Buyer and the respective successors, assigns and grantees.

11. The Sale of the Acquired Assets is not subject to avoidance pursuant to section 363(n) of the Bankruptcy Code, or any other provision of the Bankruptcy Code, or otherwise.

Transfer of Acquired Assets

12. Pursuant to sections 105(a), 363(b), 363(f), 365(b) and 365(f) of the Bankruptcy Code, the Debtor is authorized to sell the Acquired Assets to the Buyer in accordance with the Purchase Agreement, and to transfer, assign and convey the Acquired Assets to the Buyer on the “Closing Date” (as defined in the Purchase Agreement). Upon the Debtor’s receipt of the Total Consideration, such Sale, transfer, assignment and conveyance shall constitute a legal, valid, binding, and effective sale, transfer, assignment and conveyance of such Acquired Assets, which shall vest Buyer with all right, title, and interest of the Debtor to the Acquired Assets, free and clear of all (i) deeds of trust, mortgages, liens (as defined in section 101(37) of the Bankruptcy Code, and including but not limited to, mechanics’, materialmens’ and other consensual or statutory liens), financing statements and any other encumbrance accruing or arising at any time prior to the Closing Date (collectively, “Liens”), (ii) all debts arising under, relating to, or in connection with any act of the Debtors, all claims (as that term is defined in section 101(5) of the Bankruptcy Code), liabilities, obligations, demands, guaranties, options, rights, contractual commitments, interests, duties, covenants, actions, restrictions (including, but not limited to, any restriction on the use, transfer, receipt of income or other exercise of any attributes of ownership of the Acquired Assets and all debts arising in any way in connection with any acts of the Debtors), personal injury and other tort claims, covenants, defects, hypothecations, charges, indentures, loan agreements, instruments, leases, licenses, conditional sale or other title retention agreements, options, contracts, offsets, recoupment, rights of recovery, judgments, orders, and decrees of any court or governmental entity, successor, transferee, product liability, environmental, tax and other liabilities and claims of any kind or nature, any claims arising under the Workers Adjustment Restraining and Notification Act, 29 U.S.C. § 2101, et seq., or any collective bargaining agreements or other applicable law, and all causes of action and liabilities of any kind and nature, whether arising prior to or subsequent to the commencement of the

Chapter 11 Case, in each case whether known or unknown, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, secured or unsecured, senior or subordinate, legal or equitable, or created or imposed by agreement, understanding, judgment, law, equity or otherwise, including pursuant to environmental law, anti-trust law, labor law, *de facto* merger, mere continuation, or substantial continuity (collectively, “Claims”), relating to, accruing or arising at any time prior to the Closing Date, and (iii) other interests or any other claim of any kind or nature whatsoever, including but not limited to, any theory of successor liability, successor-in-interest liability and claims, transferee liability (collectively, “Interests”). Such Liens, Claims and Interests shall exclude the Assumed Liabilities (as defined in the Purchase Agreement) and are collectively referred to as the “Released Liens, Claims and Interests.”

13. Except as explicitly authorized for payment by this Order, the Released Liens, Claims and Interests shall attach, as adequate protection to the holder thereof pursuant to 11 U.S.C. § 363(e), to the proceeds of the Sale, with the same priority, validity, force, effect and scope as of the petition date of the Debtor’s Chapter 11 Case, subject to any and all defenses, offsets, counterclaims and/or other rights of any party relating thereto; provided, however, that the Debtor shall disburse, or cause to be disbursed, the Sale proceeds directly from escrow to satisfy (i) the employee and vendor claims (as described in sections 10.2 and 10.4 of the Purchase Agreement), (ii) any outstanding property taxes relating to the Acquired Assets, subject to requirements of sections 2.3 and 6.1 of the Purchase Agreement), and (iii) Cure Costs, if any, with each such payment to be made concurrent with the Closing.

14. On or before the Closing Date, each of the creditors of the Debtor’s estate is authorized and directed, and the Buyer is hereby authorized, on behalf of each of the estate’s creditors, to execute and deliver such documents and take all other actions as may be reasonably necessary to release the Released Liens, Claims and Interests, if any, as such Released Liens, Claims or Interests may have been recorded or may otherwise exist.

15. Each of the Debtor’s creditors is hereby authorized and directed to execute such documents and take all other actions as may be reasonably necessary to release such creditor’s

Liens, Claims or Interests in the Acquired Assets, if any, as such Liens, Claims or Interests may have been recorded or may otherwise exist. If any person or entity that has filed or recorded financing statements, mortgages, deeds of trust, mechanic's liens, *lis pendens*, or other documents or agreements evidencing any Liens, Claims or Interests in, against or upon the Acquired Assets prior to the Closing Date of the Sale, in proper form for filing and executed by the appropriate parties, and has not executed termination statements, instruments of satisfaction, releases of all Liens, Claims or Interest that the person or entity has with respect to the Acquired Assets, then on the Closing Date, or as soon as possible thereafter, (a) the Debtors are hereby authorized and directed to execute and file, or as appropriate record, such statements, instruments, releases and other documents on behalf of the person or entity with respect to the Acquired Assets and (b) the Buyer is hereby authorized on behalf of each of the Debtor's creditors, to file, register, or otherwise record a certified copy of this Order, which, once filed, registered or otherwise recorded, shall constitute conclusive evidence of the release of all Claims, Liens and Interests in, against, or upon the Acquired Assets of any kind or nature whatsoever.

16. All entities who are presently, or on the Closing Date may be, in possession of some or all of the Acquired Assets (other than the Deposit and the Excluded Assets under the terms of the Purchase Agreement) are hereby directed to surrender possession of the Acquired Assets to the Buyer on the Closing Date, with the Liens, Claims and Interests of such entity to be satisfied solely from the proceeds of the Sale of the Acquired Assets.

17. On the Closing Date, this Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance and transfer of the Acquired Assets or a bill of sale transferring good and marketable title in the Acquired Assets to Buyer. Each and every federal, state, and local governmental agency or department is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement. A certified copy of this Order may be

filed with the appropriate clerk and/or recorded with the recorder to act to cancel any Released Liens, Claims or Interests of record.

18. This Order is and shall be binding upon and shall govern the acts of all persons and entities, including, without limitation, (i) all filing agents, (ii) filing officers, (iii) title agents, (iv) title insurers, (v) recorders of mortgages, (vi) recorders or registrars of deeds, deeds of trust, financing statements and security agreements, (vii) administrative agencies, (viii) secretaries of state, (ix) federal, state and local governmental authorities, agencies, departments, and (x) all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease. Each of the foregoing persons and entities is hereby directed to accept for filing and recordation any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement. If any such person or entity fails to comply with the provisions of this paragraph, such person or entity shall nonetheless be bound to any and all documents necessary or desirable to effect the transactions contemplated under the Purchase Agreement.

19. All persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, police and regulatory authorities, lenders, trade creditors, judgment holders, litigation claimants and other creditors, holding Liens, Claims or other Interests of any kind or nature whatsoever against or in all or any portion of the Acquired Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinate), arising under or out of, in connection with, or in any way relating to the Debtor, the Acquired Assets, the operation of the Debtor's business prior to the Closing Date or the transfer of the Acquired Assets to the Buyer, hereby are permanently barred, estopped and enjoined from asserting against the Buyer, the Buyer's successors or assigns, or the Acquired Assets, any such persons' or entities' Released Liens, Claims or Interests in and to the Acquired Assets, including, without limitation, the

All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtor to sell and transfer the Acquired Assets to the Buyer in accordance with the terms of the Purchase Agreement and this Order.

Acquired Contracts and Real Property Leases

20. Pursuant to sections 105(a) and 365 of the Bankruptcy Code, and subject to and conditioned upon the Closing of the Sale as contemplated under the Purchase Agreement, the Debtor's assumption and assignment to the Buyer, and the Buyer's assumption on the terms set forth in the Purchase Agreement, of the Acquired Contracts specified in this Order and as identified in Exhibit 2 hereto is approved, and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are deemed satisfied.

21. The Debtor is authorized in accordance with sections 105(a) and 365(a),(f) and other relevant provisions of the Bankruptcy Code to (a) assume and assign to Buyer, effective upon the Closing of the Sale as contemplated under the Purchase Agreement, the Acquired Contracts specified in Exhibit 2 to in this Order; and (b) execute and deliver to the Buyer such

documents or other instruments as may be necessary to assign and the Acquired Contracts specified in this Order.

22. Any Cure Costs due and owing on account of the assumption and assignment of the Acquired Contracts set forth in the Purchase Agreement and specified in Exhibit 2 to this Order, shall be paid by the Debtor out of the Sale proceeds in accordance with paragraph 13 of this Order. The payment of the applicable Cure Costs, in the amounts set forth in Exhibit 2 hereto, shall (a) effect a cure of all defaults existing thereunder as of the date that such Acquired Contract is assumed and (b) compensate for any actual pecuniary loss to such non-Debtor party resulting from such default. To the extent that any counterparty to an Acquired Contract did not object timely to its Cure Costs in accordance with the Procedures Order, such counterparty is deemed to have consented to such Cure Cost and the assignments of its respective Acquired Contract to the Buyer.

23. The failure of the Debtor or the Buyer to enforce at any time one or more terms or conditions of any of the Acquired Contracts set forth in Exhibit 2 hereto shall not be a waiver of such terms or conditions, or of the Debtor's and Buyer's rights to enforce every term and condition of the such leases and contracts.

24. Except as expressly provided for in this Order or the Purchase Agreement, the Buyer shall not have any liability for any obligations of the Debtor arising under or related to the Acquired Assets. Without limiting the generality of the foregoing, and except as otherwise specifically provided herein, in the Purchase Agreement, the Buyer shall not be liable for any Claims against the Debtor or any of its predecessors or affiliates, and the Buyer shall have no successor or vicarious liabilities of any kind or character, including, but not limited to, under any theory of antitrust, environmental, successor or transferee liability, labor law, *de facto* merger, mere continuation, or substantial continuity, whether known or unknown as of the Closing Date, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether liquidated or unliquidated, including, but not limited to, liabilities on account of warranties, liabilities relating to or arising from any environmental laws,

and any taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the operation of any of the Acquired Assets prior to the Closing Date.

25. Other than as authorized by the Bankruptcy Code, any provisions in any of the Acquired Contracts identified in attached Exhibit 2 that prohibit or condition the assignment of such Real Property Leases or Acquired Contracts, or that allow the counterparty to such leases and contracts to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such lease or contract, constitute unenforceable anti-assignment provisions that are void and of no force and effect. There shall be no rent accelerations, assignment fees, increases or any other fees, amounts or costs charged to the Buyer or the Debtor as a result of the assumption and assignment of the Acquired Contracts. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtor and assignment to the Buyer of the Acquired Contracts have been satisfied. On the Closing Date, in accordance with sections 363 and 365 of the Bankruptcy Code, the Buyer shall be fully and irrevocably vested with all right, title and interest of the Debtor under the Acquired Contracts.

26. On the Closing Date (i) the Acquired Contracts identified in attached Exhibit 2 will remain in full force and effect, (ii) no default shall exist under the Acquired Contracts nor shall there exist any event or condition which, with the passage of time or giving of notice, or both, would constitute such a default, (iii) the Buyer shall be deemed to be substituted for the Debtor as a party to the applicable Acquired Contracts, and (iv) the Debtor shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability under the Acquired Contracts.

27. The Buyer has provided adequate assurance of future performance under the relevant Acquired Contracts within the meaning of sections 365(b)(1)(C), 365(b)(3) (to the extent applicable) and 365(f)(2)(B) of the Bankruptcy Code.

28. Pursuant to sections 105(a), 363 and 365 of the Bankruptcy Code, all counterparties to the Acquired Contracts identified in attached Exhibit 2 are forever barred and

permanently enjoined from raising or asserting against the Debtor or the Buyer any assignment fee, default, breach or claim or pecuniary loss, or condition to assignment, arising under or related to the Acquired Contracts existing as of the Closing Date or arising by reason of the Closing.

Other Provisions

29. The procedures set forth in the Sale Motion whereby the Debtor may solicit, evaluate, and accept or reject overbids are approved in their entirety and are deemed to have been complied with in all respects relating to the Sale transaction contemplated by the Purchase Agreement.

30. The Sale, as contemplated by the Purchase Agreement, is undertaken by the Buyer without collusion and in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of such Sale, unless and solely to the extent such authorization and such Sale are duly stayed pending such appeal. The Buyer is a good-faith buyer of the Acquired Assets within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of section 363(m) of the Bankruptcy Code.

31. Nothing contained in any plan of reorganization or liquidation, or order of any type or kind entered in (i) the Chapter 11 Case, (ii) any subsequent chapter 7 case into which the Chapter 11 Case may be converted, or (iii) any related proceeding subsequent to entry of this Order, shall conflict with or derogate from the provisions of the Purchase Agreement or the terms of this Order.

32. To the extent that this Order is inconsistent with any prior order or pleading with respect to the Sale Motion in the Chapter 11 Case, the terms of this Order shall govern.

33. This Order shall govern if there is any inconsistency between the Purchase Agreement (including all ancillary documents executed in connection therewith) and this Order. All of the provisions of this Order are non-severable and mutually dependent.

34. The Purchase Agreement and any related agreements, documents or instruments may be modified, amended or supplemented by the parties thereto, in a writing signed by such parties, and in accordance with the terms and conditions of the Purchase Agreement, without further order of this Court; provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtor or its bankruptcy estate.

35. So long as the Chapter 11 Case remains open, this Court shall retain jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order and the Purchase Agreement, all amendments thereto and any waivers and consents thereunder and each of the agreements executed in connection therewith to which the Debtor is a party or that has been assigned by the Debtor to the Buyer, and to adjudicate, if necessary, any and all disputes, controversies or claims concerning or relating in any way to the Sale, including, but not limited to, retaining jurisdiction to (i) compel delivery of the Acquired Assets to the Buyer; (ii) interpret, implement and enforce the provisions of this Order; (iii) resolve disputes concerning the Purchase Agreement, (iv) protect the Buyer against any Released Liens, Claims or Interest, and (v) enter any orders under sections 363 or 365 of the Bankruptcy Code with respect to the Acquired Contracts identified in attached Exhibit 2.

36. The failure specifically to include any particular provision of the Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provisions, it being the intent of this Court that the Purchase Agreement be authorized and approved in its entirety.

37. No bulk sales law or any similar law of any state or other jurisdiction applies in any way to the Sale transactions contemplated by the Purchase Agreement.

38. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

39. This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made

applicable by Bankruptcy Rule 7054, and any other applicable rule or law, this Court expressly finds that there is no just reason for delay in the implementation of this Order, waives any stay, and expressly directs entry of this Order as set forth herein.

40. The Debtor shall execute whatever documents are reasonably requested or required by Buyer and any other parity to effectuate the terms, conditions, and obligations of this Order.

IT IS SO ORDERED.

Section 1.4 Excluded Liabilities.

Notwithstanding anything to the contrary in this Agreement, Seller shall retain, and remain liable and obligated for any of its respective liabilities not otherwise expressly included in the Assumed Liabilities (collectively, the “**Excluded Liabilities**”).

ARTICLE II. CONSIDERATION

Section 2.1 Purchase Price.

The aggregate consideration for the Acquired Assets shall be (a) the sum of (i) \$3,100,000 in cash, plus (ii) the amount of On-Hand Cash and the On-Hand Inventory, each as determined pursuant to Section 2.2 (the amounts described in clauses (i) and (ii) together, the “**Unadjusted Purchase Price**”), subject to adjustment as provided in Section 2.3 (as so adjusted, the “**Final Purchase Price**”); and (b) the assumption by Buyer of the Assumed Liabilities (such assumption, together with the Final Purchase Price, the “**Total Consideration**”).

Section 2.2 On-Hand Inventory; On-Hand Cash.

Immediately after the close of business on the day before the Closing Date, but in no event later than 8:00 p.m. local time, Seller and Buyer shall perform a physical count of all Inventory and will count the On-Hand Cash, in each case at each of the Group One Missouri Restaurants. Seller shall create a written summation of the amount of (i) Inventory counted and its value, each subtotaled by restaurant and by type, and (ii) On-Hand Cash, all as reasonably approved by Buyer. A copy of the approved summations shall be provided to Buyer. The physical count of the

Inventory and the Inventory valuation shall be reasonable, but otherwise shall be based on and in accordance with Seller's prior practices and methodologies. The mutually agreed upon valuation of the Inventory shall be the value of the On-Hand Inventory for purposes of this Agreement. The mutually agreed amount of On-Hand Cash shall be the value of the On-Hand Cash for purposes of this Agreement.

Section 2.3 Prorations.

Seller shall calculate, in good faith, prorated amounts (the "**Proration**") for (a) rent under the Real Property Leases, (b) prepaid expenses, (c) Rebates, (d) Property Taxes, (e) common area maintenance charges, and (f) charges for sewer, water, fuel, telephone, electricity and other utilities (items (a) through (f) together, the "**Prorated Amounts**"), as of the Closing Date for the Group One Missouri Restaurants. For the Proration, Seller shall be liable to the extent the Prorated Amounts relate to any time period up to but not including the Closing Date and Buyer shall be liable to the extent the Prorated Amounts relate to periods including and after the Closing Date. The Proration shall credit Seller for any deposits included in the Acquired Assets. Seller shall provide Buyer the Proration, and reasonable supporting documentation, at least three (3) days prior to the Closing Date. The Proration shall be based on the latest available rates, valuations, readings, or such other information or documents that most accurately reflect current charges, if known, or otherwise reasonably estimate the outstanding charges for the Prorated Amounts as of the Closing Date. Notwithstanding that the Proration may contain Seller's good faith estimates to prorate one or more of the Prorated Amounts, the Proration shall be final unless based on materially incorrect information. The Unadjusted Purchase Price shall be (i) increased by the net amount of the Proration if such amount is in Seller's favor, and (ii) decreased by the net amount of the Proration if such amount is in Buyer's favor.

Section 2.4 Closing Payments At the Closing, Buyer shall pay the Unadjusted Purchase Price as follows:

- (a) by instruction to the Escrow Agent to release the Deposit from the Deposit Escrow Account, by wire transfer of immediately available funds to an account specified by Seller, or by the Bankruptcy Court, as the case may be; and
- (b) by deposit of the Trade Credit Escrow Amount into the Trade Credit Escrow Account;
- (c) by deposit of the Payroll Escrow Amount into the Payroll Escrow Account; and

ARTICLE III. CLOSING AND DELIVERIES

Section 3.1 Closing.

The consummation of the transactions contemplated by this Agreement (the “**Closing**”) shall take place no later than ten (10) days following entry by the Bankruptcy Court of the Sale Order, provided that such order conforms to the criteria specified in the definition of Sale Order in Article XI hereof, or at such other time as may be mutually agreed to by the parties (the “**Closing Date**”), and shall be effective as of 12:01 a.m. on the Closing Date. Subject to such different procedures agreed upon by the parties in writing, the Closing shall take place via a “paper” close wherein Buyer and Seller shall exchange such documents and instruments or copies thereof sufficient to effect the Closing by electronic or other means without the use of a “roundtable” closing at a particular location. All proceedings to be taken and all documents to be executed and delivered by the parties at the Closing shall be deemed to have been taken and executed simultaneously and no proceedings shall be deemed to have been taken nor documents executed or delivered until all have been taken, executed and delivered.

Section 3.2 Seller’s Deliveries.

Seller shall execute (as appropriate) and deliver to Buyer or shall deposit with the Escrow Agent for the benefit of Buyer, at or prior to the Closing or such other time as set forth in this Agreement:

- (a) A bill of sale for all of the Acquired Assets that are tangible personal property, without representation, warranty or covenant of any kind, and any such other good and sufficient instruments of sale, transfer, conveyance and assignment as shall be necessary or appropriate to sell, transfer, convey and assign to Buyer, in accordance with the terms hereof, title to the Acquired Assets free and clear of all Liens, liabilities, claims, interests and encumbrances, other than Permitted Liens;
- (b) An agreement for the assumption of the Assumed Liabilities, without representation, warranty or covenant of any kind;
- (c) For all intangible Acquired Assets, including all Acquired Contracts, (i) an agreement of assumption and assignment, without any representation, warranty or covenant of any kind, or (ii) an Assignment Order effecting the same;
- (d) For the Leased Real Property, including all Real Property Leases, (i) an agreement of assignment and assumption, without any representation, warranty or covenant of any kind, or (ii) an Assignment Order effecting the same, in each case, sufficient to sell, transfer, convey and assign to Buyer, the Leased Real Property, including all Real Property Leases, free of all Liens, liabilities, claims, interests and encumbrances, other than Permitted Liens and the Assumed Liabilities;
- (e) A certificate, dated the Closing Date, signed by its Secretary, certifying to the accuracy of the matters set forth in Section 7.2(a);

- (f) All consents, orders and approvals of the Bankruptcy Court, including, without limitation, a certified copy of the Sale Order;
- (g) The Closing Day Escrow Agreement, duly executed by Seller;
- (h) Such other agreements, documents or instruments that Buyer or the Escrow Agent may reasonably request, the form and substance of which are acceptable to Buyer.

Section 3.3 Buyer's Deliveries.

Buyer shall deliver to Seller or shall deposit with the Escrow Agent for the benefit of Seller at or prior to the Closing or such other time as set forth:

- (a) The Unadjusted Purchase Price in accordance with Section 2.4;
- (b) A duly executed counterpart by Buyer of each of the documents listed in Sections 3.2(b), (c), (d)(i) and (g);
- (c) A certificate, dated the Closing Date, signed by its Secretary, certifying the accuracy of the matters set forth in Section 7.1(a); and
- (d) Such other agreements, documents or instruments that Seller may reasonably request, the form and substance of which are acceptable to Seller.

Section 4.1 Representations and Warranties of Seller.

Seller hereby represents and warrants to Buyer as of the Execution Date as follows:

- (a) Authorization and Validity. - (b) No Conflict or Violation. The execution, delivery and performance by Seller of this Agreement and any Ancillary Agreement to which Seller is a party does not violate or conflict with any provision of Seller's certificate of organization, operating agreement, or similar organizational documents.
- (c) Title to Assets. Seller owns, and has good, valid, and marketable title to, all of the Acquired Assets.
- (d) Consents and Approvals. Other than such consents, waivers, authorizations or approvals that have been obtained, and subject to Buyer's receipt of the Sale

Order, no consent, waiver, authorization or approval of any Person or declaration, filing or registration with any Government is required in connection with the execution and delivery by Seller of this Agreement or the performance by Seller of its obligations hereunder.

- (e) Contracts. Seller has provided Buyer access to a correct and complete copy of each Acquired Contract (and all amendments, modifications, and supplements thereto). Subject to laws of general application relating to bankruptcy, insolvency and the relief of debtors, each of the Acquired Contracts is valid and in full force and effect in accordance with its terms, and no option to renew or extend such Acquired Contracts has been missed or will lapse before the Closing.

ARTICLE IX. SURVIVAL AND INDEMNIFICATION

Section 9.1Survival; Indemnification.

None of the representations and warranties of Seller and of Buyer made in this Agreement shall survive the Closing Date, and all of such representations and warranties shall be extinguished by the Closing. Section 9.2Specific Performance.

Seller and Buyer acknowledge that in case of any breach of their respective covenants after the Closing, the other would suffer immediate and irreparable harm, which money damages would be inadequate to remedy, and accordingly, in case of any such breach each non-breaching party shall be entitled to obtain specific performance.

Section 9.3 Exclusive Remedy.

Following the Closing, the parties' sole and exclusive remedies for any claim arising out of or in connection with this Agreement shall be those set forth in this Article IX.

ARTICLE X. MISCELLANEOUS

Section 10.1 Allowed Administrative Expenses.

Except as to (i) the Deposit, which amount shall not be estate property and shall be segregated and held in trust for Buyer, and (ii) the Break-Up Fee and Buyer Expenses owing to Buyer upon the closing of an Alternative Transaction, which amount shall be paid upon the closing and from the proceeds of such Alternative Transaction, any and all amounts owed to Buyer by Seller hereunder or under any Ancillary Agreement after the Execution Date shall constitute allowed administrative expenses in Seller's Chapter 11 Case under section 503(b)(1) of the Bankruptcy Code.

Section 10.2 Employees; Escrow of Employee Payables; Minimum Offers of Employment.

- (a) On or immediately before the Closing, Seller shall have terminated all employees working for the Business, and with respect to employees working for the Business that are employed by one or more third parties, shall cause such third party or parties to then terminate such employees.
- (b) Seller and Buyer agree that an amount sufficient to pay all wages, salaries, benefits and accrued vacation owed by Seller for the period after the Petition Date, to Seller's employees working for the Business immediately prior to Closing (the "**Payroll Escrow Amount**") shall be withheld from the Unadjusted Purchase Price due to Seller at Closing and be deposited into an escrow account (the "**Payroll Escrow Account**") to be established pursuant to the Closing Day Escrow Agreement. The Payroll Escrow Amount shall be held and disbursed by the Escrow Agent pursuant to the terms of the Closing Day Escrow Agreement to the extent Seller does not otherwise pay the full amount of such wages, salaries, benefits and accrued vacation owed to such employees within three (3) Business Days of the Closing Date. Seller shall pay all other wages, benefits and accrued vacation owed to its terminated employees, subject to the priorities and allowances as required under the Bankruptcy Code and as ordered by the Bankruptcy Court, and Seller shall cause such third party employers to do the same with respect to its terminated employees. To the extent Seller makes full payment of such wages, salaries, benefits and accrued vacation to its employees, the parties shall instruct the Escrow Agent to disburse to Seller the full amount of

the Payroll Escrow Amount, together with interest earned thereon, by wire transfer of immediately available funds to an account designated in writing by Seller.

- (c) Buyer shall offer to hire at least seventy percent (70%) of Seller's employees that are working for the Business immediately before the Closing Date, under whatever terms Buyer may determine in its sole and absolute discretion, provided that Buyer may select in its discretion the employees it chooses to hire. Subject to the foregoing, Buyer shall not be obligated to hire any additional terminated employees. Seller shall reasonably cooperate with Buyer in Buyer's efforts to hire terminated employees. Subject to limitations imposed by the Bankruptcy Code or the Bankruptcy Court, Seller shall bear all financial and other responsibility for compliance with the federal WARN Act and any similar laws of any applicable jurisdiction to the extent applicable.

Section 10.3 Risk of Loss.

At all times prior to the Closing, the risk of loss for all of the Acquired Assets shall be retained by Seller. In the case of any Material Adverse Effect with respect to any Leased Real Property prior to the Closing, Buyer shall have the option to: (a) delete the affected Leased Real Property and the Acquired Asset(s) located thereon from the scope of this Agreement and proceed with the purchase of the remainder of the Acquired Assets and reduce the Final Purchase Price by an amount equal to the Allocation for such affected Acquired Asset(s) as set forth on Schedule 6.2, or (b) accept the affected Acquired Asset(s) in the condition in which they are in following the occurrence of the Material Adverse Effect, and receive either the insurance proceeds or condemnation award which Seller shall have received (or be entitled to receive), or in the event the proceeds or award have not been received by Seller at the time of Closing, an assignment by Seller of all of its rights in and to adjust and receive the insurance proceeds or award. In the event Buyer chooses option (b) above, Seller shall credit to Buyer the amount of any insurance deductible at Closing from the Final Purchase Price, and Seller shall not have the right to participate in any insurance adjustment, settlement or claim or condemnation proceeding, but will, at all times, reasonably cooperate with Buyer in pursuing any claim settlement, adjustment or prosecution, and any and all insurance proceeds and condemnation awards shall be the sole property of Buyer. Notwithstanding the foregoing, if the insurance proceeds or award are payable to the landlord or mortgagee for any such Leased Real Property and either such party (i) has no obligation to rebuild the affected Acquired Asset(s) and (ii) has determined not to so rebuild, Buyer shall be deemed to have elected option (a) above. Moreover, in the event of a taking of the whole of the affected Leased Real Property by a Government authority, Buyer shall be deemed to have elected option (a) above.

Section 10.4 Payment to Post-Petition Trade Creditors

Seller and Buyer agree that an amount reasonably estimated by Seller as of Closing, subject to Buyer's approval, sufficient to pay all amounts owed by Seller arising after the Petition Date, to trade creditors and other vendors that provided services, supplies or materials to the Group One Missouri Restaurants (which, for clarity, does not include Corporate Level accounts payable of

Seller) (the “**Trade Credit Escrow Amount**”) shall be withheld from the Unadjusted Purchase Price due to Seller at Closing and be deposited into an escrow account (the “**Trade Credit Escrow Account**”) to be established pursuant to the Closing Day Escrow Agreement. The Trade Credit Escrow Amount shall be held by the Escrow Agent and paid to such trade creditors and vendors on or within three (3) Business Days of the Closing Date.

Section 10.5 Exclusion of Restaurants.

Notwithstanding anything herein to the contrary, at any time prior to Auction, and if no such Auction occurs, then at any time prior to the Closing, Buyer may elect to exclude up to two (2) restaurants from the Group One Missouri Restaurants by providing Seller with reasonable evidence of a Material Defect with respect to the Excluded Store (defined below), provided, however, that to the extent an Excluded Store is restaurant no. 12413 (as identified in attached Exhibit B) Buyer may exclude such restaurant for any reason, or no reason, in its sole discretion. Such election shall be effective upon notice by Buyer to Seller and shall identify the excluded restaurant(s) (each as so identified, an “**Excluded Store**”). Should such election be made, this Agreement shall thereby be automatically modified to give full effect to such exclusion, provided, however, that the \$3,100,000 cash component of the Final Purchase Price shall be unaffected and shall be paid by Buyer pursuant to the terms of this Agreement as if such election had not been made. However, and without limitation, the definitions of Acquired Assets, the Group One Missouri Restaurants, the Business and the Assumed Liabilities, shall each be revised to exclude each such Excluded Store, and the definition of Excluded Assets shall be revised to include each such Excluded Store, including any Franchise Agreement, Real Property Lease, and other contract, agreement and liability or other obligation relating to each such Excluded Store. At the Closing, Buyer shall pay Seller \$10,000 for each Excluded Store in consideration of Seller’s estimated costs of closing each such Excluded Store, which payment shall be included as part of the Total Consideration.

Section 10.6 Alternative Transaction.

Notwithstanding anything herein or in the Ancillary Agreement to the contrary, Seller may furnish information concerning Seller, the Acquired Assets and the Assumed Liabilities to any Person in connection with a potential Alternative Transaction, and subject to Article VIII of this Agreement and the Sale Procedures, negotiate, enter into and consummate an Alternative Transaction.

Section 10.7 Further Assurances.

At the request and the sole expense of the requesting party, Buyer or Seller, as applicable, shall execute and deliver, or cause to be executed and delivered, such documents as Buyer or Seller, as applicable, or their respective counsel, may reasonably request to effectuate the purposes of this Agreement and the Ancillary Agreements. Such parties shall also reasonably cooperate and take such actions prior to Closing as are reasonably necessary or desirable to effectuate a smooth transition of operations at Closing. This Section 10.5 shall survive Closing.

Section 10.8 Successors and Assigns.

This Agreement shall inure to the benefit of and shall be binding upon the successors and assigns of the parties hereto.

Section 10.9 Governing Law; Jurisdiction.

This Agreement shall be construed, performed and enforced in accordance with, and governed by, the laws of the State of Minnesota (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Seller is subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court.

Section 10.10 Expenses.

Except as otherwise provided in this Agreement, Seller and Buyer shall pay their own expenses in connection with this Agreement and the transactions contemplated hereby, including, without limitation, any legal and accounting fees, whether or not the transactions contemplated hereby are consummated. Buyer shall pay the cost of all surveys, title insurance policies and title reports ordered or requested by Buyer or any Related Person thereto.

Section 10.11 Broker's and Finder's Fees.

Neither Seller nor Buyer has engaged any broker or finder in connection with any of the transactions contemplated by this Agreement other than Mastodon Ventures, Inc., whose fees and expenses shall, as between the parties, be the sole responsibility of Seller, and, insofar as such party knows, no other broker or other Person is entitled to any commission or finder's fee in connection with any of the transactions contemplated by this Agreement.

Section 10.12 Severability.

In the event that any part of this Agreement is declared by any court or other judicial or administrative body to be null, void or unenforceable, said provision shall survive to the extent it is not so declared, and all of the other provisions of this Agreement shall remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms shall provide for the consummation of the transactions contemplated hereby in substantially the same manner as set forth on the Execution Date.

Section 10.13 Notices.

E. Pursuant to the Sale Procedures Order, the Debtors timely received __ Qualified Bids on or before April 19, 2011, and the Group One Auction was conducted on April 26, 2011, by the Debtors, in consultation with their advisors and investment banker, Mastodon Ventures, Inc. initial hearing on the Sale Motion, the Group One Auction, the Sale Approval Hearing, the Sale of the Acquired Assets, the proposed assumption and assignment of the Acquired Contracts or the entry of this Sale Approval Order is required or necessary.

J. The Sale Notice was duly served by the Debtor on (i) all creditors and interested parties, including parties requesting special notice, required to receive notice pursuant to Bankruptcy Rule 2002(i), (ii) each entity or person known to the Debtor to assert a lien, encumbrance, claim or other interest in or to the assets to be affected by this Order, (iii) all Acquired Contract counterparties including notice regarding the relevant Cure Costs; (iv) the Internal Revenue Service and all state and local taxing authorities in jurisdictions where the Debtor has or may have any tax liability, and (v) the Office of the United States Trustee, all in accordance with Bankruptcy Rules 2002(a)(2), 2002(c)(1), 2002(i), 2002(k), 6004(a) and 6004(c). The Sale Notice (i) complied in all respects with the requirements of the Bankruptcy Code and the Bankruptcy Rules and any applicable local rule, (ii) fully and adequately described the relief requested in the Sale Motion, (iii) provided fair and reasonable notice under the circumstances of the Chapter 11 Case with respect to the deadlines and procedures for objecting to the relief requested in the Sale Motion, and (iv) set forth the time, date and place for the hearing on the Sale Motion, and an opportunity to request a hearing.

K. All parties in interest, including, without limitation, Bank of America, Burger King Corporation, all parties who claim an interest in or lien upon the Acquired Assets, all counterparties to the Acquired Contracts, all shareholders of the Debtors, all federal, state and local environmental authorities, and all U.S. or foreign federal, state and local governmental taxing authorities who have, or as a result of the Sale of Acquired Assets may have, claims, contingent or otherwise against the Debtors, have been given a reasonably opportunity to object and be heard, regarding the relief requested in the Sale Motion (including assumption and assignment of the Acquired Contracts and the Cure Costs). All objections to the Sale Motion and to approval of the Purchase Agreement, including the transactions contemplated thereby, were resolved, withdrawn or overruled at the Sale Approval Hearing.

L. As demonstrated by the testimony or other evidence proffered or adduced at the Sale Approval Hearing: (i) the offer from the Buyer constitutes the highest and best offer for the Acquired Assets; (ii) the Debtors conducted an auction process in accordance with, and have otherwise complied in all respects with, the Sale Procedures Order; (iii) the auction process set forth in the Sale Procedures Order afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Acquired Assets; and (iv) the Group One Auction was duly noticed and conducted in a non-collusive, fair, and good faith manner and a reasonable opportunity has been given to any interested party to make a higher and better offer for the Acquired Assets.

M. The Group One Auction was held in accordance with the Sale Procedures Order.

N. The Debtor engaged in fair and reasonable marketing, advertising and other sales efforts and procedures in connection with the Sale of the Acquired Assets, which efforts and procedures have enabled the estate to obtain a fair and reasonable price for the Acquired Assets under the circumstances of the Chapter 11 Case.

O. In accordance with the Sale Procedures Order, the Purchase Agreement was deemed a Qualified Bid (as defined in the Sale Procedures) and the Buyer was eligible to participate at the Group One Auction.

P. The Purchase Agreement constitutes the highest and best offer for the Acquired Assets, and will provide a greater recovery for the Debtor's estate than would be provided by any other available alternative for the Acquired Assets. The Debtor's determination that the Purchase Agreement constitutes the highest and best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtor's business judgment.

Q. The Purchase Agreement represents a fair and reasonable offer to purchase the Acquired Assets under the circumstances of the Chapter 11 Case. No other person or entity or group of entities has offered to purchase the Acquired Assets for greater economic value to the Debtor's estates than the Buyer.

R. The purchase price as set forth in the Purchase Agreement (the “Purchase Price”) for the Acquired Assets is fair and reasonable, and constitutes reasonable consideration and reasonably equivalent value (as those terms are defined in each of the Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and section 548 of the Bankruptcy Code) under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, and the District of Columbia. Approval of the Purchase Agreement and the Sale of the Acquired Assets in accordance with this Order and the Purchase Agreement are in the best interest of the Debtor’s estate, creditors and other parties in interest. The terms of the Purchase Agreement were negotiated at arms’ length and are fair and reasonable under the circumstances.

S. The Purchase Agreement was not entered into for the purpose of hindering, delaying or defrauding creditors or any other party under the Bankruptcy Code or under the laws of the United States, any state, territory, possession or the District of Columbia. Neither the Debtor nor the Buyer is entering into the transactions contemplated by the Purchase Agreement fraudulently for the purpose of statutory and common law fraudulent conveyance and fraudulent transfer claims.

T. The Debtor has demonstrated compelling circumstances and good, sufficient and sound business purposes for the Sale of the Acquired Assets pursuant to section 363(b) of the Bankruptcy Code outside of a plan of reorganization.

U. The Debtor (i) has full corporate, limited liability or other power to execute, deliver and perform its obligations under the Purchase Agreement and all other documents contemplated thereby or entered into in connection therewith, and the Sale of the Acquired Assets by the Debtor has been duly and validly authorized by all necessary corporate, limited liability or similar action, and (ii) has taken all action necessary to authorize and approve the Purchase Agreement and such other documents contemplated thereby and the consummation by them of the transactions contemplated thereby or entered into connection therewith. No third-party approvals, other than those expressly provided for in the Purchase Agreement, if any, are required by the Debtor to consummate such transactions.

V. The Debtor is authorized and directed to sell and transfer the Acquired Assets free and clear of the Released Liens, Claims and Interests (as defined in paragraph 12 below) because it has satisfied the requirements of section 363(f) of the Bankruptcy Code.

W. Those holders of Claims (as defined in paragraph 12 below) against the Debtors, their estates or any of the Acquired Assets who did not object, or who withdrew their objections, to the Sale or the Sale Motion are deemed to have consented to the Sale pursuant to section 363(f)(2) of the Bankruptcy Code. The Debtor has met the requirements of section 363(f) with respect to all other holders of Claims as such Claim holders will have their Claims, if any, in each instance against the Debtor, or the Debtors, as applicable, including their estates or any of the Acquired Assets, attach to the net cash proceeds of the Sale ultimately attributable to the Acquired Assets, in which such creditor alleges a Claim, in the same order of priority, with the same validity, force and effect that such Claims had prior to the Sale, subject to any claims and defenses the Debtor, or the Debtors and their estates, as applicable, may possess with respect thereto.

X. The Buyer would not have entered into the Purchase Agreement and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtor, its estate and its creditors, if the Sale of the Acquired Assets to the Buyer, the assumption of liabilities and obligations as set forth in the Purchase Agreement by the Buyer and the assignment of the Assumed Leases and Acquired Contracts were not free and clear of all Released Liens, Claims and Interests.

Y. The Purchase Agreement was negotiated, proposed and entered into by the parties in good faith, from arms' length bargaining positions and without collusion.

Z. The Debtor has complied with the procedures for notice and Sale of the Acquired Assets as set forth in the Sale Procedures Order.

AA. The Buyer is not an "insider" or "affiliate" of the Debtors (as each such term is defined in the Bankruptcy Code). Neither the Debtor nor the Buyer, nor any of its and their respective affiliates or representatives, have engaged in any conduct that would prevent the application of section 363(m) of the Bankruptcy Code or cause the application of section 363(n)

of the Bankruptcy Code to the Sale and the transactions contemplated by the Purchase Agreement. Specifically, the Buyer has not acted in a collusive manner with any person or entity and the aggregate Purchase Price paid by the Buyer for the Acquired Assets was not controlled by any agreement among the bidders, or otherwise.

BB. The Buyer is entitled to the protections afforded under section 363(m) of the Bankruptcy Code because the Buyer is a good faith purchaser in that, *inter alia*: (i) except as set forth in the Sale Procedures Order, the Buyer recognized that the Debtors were free to deal with any other party interested in acquiring the Acquired Assets; (ii) the Buyer complied with the provisions in the Sale Procedures Order; (iii) the Buyer agreed to subject its bid to the competitive bidding procedures set forth in the Sale Procedures Order; (iv) the Buyer in no way induced or caused the chapter 11 filings by the Debtors; (v) all payments to be made by the Buyer in connection with the Sale have been disclosed; (vi) no common identity of directors or controlling stockholders exists between the Buyer and any of the Debtors; and (vii) the negotiation and execution of the Purchase Agreement was at arms' length and in good faith.

CC. In the absence of a stay pending appeal, if any, if the Closing occurs at any time after entry of this Order, then, with respect to the Purchase Agreement, the Buyer, as a purchaser in good faith of the Acquired Assets, shall be entitled to the protections of section 363(m) of the Bankruptcy Code if this Order or any authorization contained herein is reversed or modified on appeal.

DD. The Debtor is the sole and lawful owner of the Acquired Assets. Effective as of the Closing, the transfer of the Acquired Assets is or will (i) be legal, valid and effective transfers of property of the Debtor's estate to the Buyer, as more particularly set forth in the Purchase Agreement, and (ii) vest the Buyer with all right, title, and interest of the Debtor and the Debtor's estate in and to the Acquired Assets free and clear of all Released Liens, Claims and Interests (as defined in paragraph 12 herein) under sections 363(f) and 105 of the Bankruptcy Code.

EE. The Debtor has demonstrated that it is an exercise of its sound business judgment to assume and assign the Acquired Contracts, each as defined in the Purchase Agreement and

described in Schedule 1.1(g) to the Purchase Agreement and as identified in Exhibit 2 to this Order, including any amendments or modifications to such exhibits as agreed to by the Debtor and Buyer pursuant to the Purchase Agreement, in connection with the consummation of the Sale of Acquired Assets, and the assumption and assignment of the Acquired Contracts is in the best interests of the Debtor, its estate, its creditors and its equity holders.

FF. The Acquired Contracts being assigned to the Buyer as set forth in the Purchase Agreement are an integral part of the Debtor's businesses being purchased by the Buyer and, accordingly, such assumption and assignment of the Acquired Contracts is reasonable, enhances the value of the Debtor's estate, and does not constitute unfair discrimination.

GG. The Acquired Contracts are unexpired leases and executory contracts, as applicable, within the meaning of the Bankruptcy Code.

HH. All amounts that are required to be paid in connection with the assumption and assignment of the Acquired Contracts that are due or owing under sections 365(b)(1)(A) and (B), and 365(f)(2)(A) of the Bankruptcy Code to (i) cure any defaults under the Acquired Contracts specified in this Order or (ii) pay all actual or pecuniary losses that have resulted from such defaults, are set forth on Exhibit 2 hereto (the "Cure Costs").

II. Any objections to the Cure Costs associated with such Acquired Contracts are resolved as set forth on Exhibit 2 to this Order. To the extent that any counterparty failed to timely object to (i) the proposed assumption and assignment of the applicable Acquired Contract, or (ii) the Cure Cost associated with the applicable Acquired Contract, such counterparty is deemed to have consented to such Cure Cost and the assumption and assignments of its respective Acquired Contract to the Buyer as expressly set forth on Exhibit 2 to this Order.

JJ. The promises of the Debtor to pay the Cure Costs (in accordance with the Purchase Agreement) and the Buyer's promise to perform the obligations under the Acquired Contracts after the Closing (in accordance with the Purchase Agreement) shall constitute adequate assurance of the Buyer's future performance under the Acquired Contracts specified in this Order that are being assigned to the Buyer within the meaning of sections 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code.

KK. Adequate notice and opportunity to be heard was provided to counterparties to executory contracts and unexpired leases to be assumed and assigned pursuant to this Order. Further, counterparties received adequate notice and an opportunity to object to the amount of any Cure Costs owed by the Debtor's estate on account of the Real Property Leases and the Acquired Contracts to be assumed and assigned to the Buyer under the Purchase Agreement, and as identified in attached Exhibit 2.

LL. The assumption and assignment of the Acquired Contracts is integral to the Purchase Agreement and is in the best interests of the Debtor and its estates, creditors and equity holders and represents the exercise of the Debtor's sound business judgment.

MM. Any objections to the assumption and assignment of any of the Acquired Contracts to the Buyer are hereby overruled.

NN. Neither the Buyer nor its affiliates shall be deemed, as a result of any action taken in connection with the purchase of the Acquired Assets, to: (i) be a successor (or other such similarly situated party) to any of the Debtors (other than with respect to the Assumed Liabilities as expressly stated in the Purchase Agreement); (ii) have, *de facto* or otherwise, merged with or into any of the Debtors; (iii) be a mere continuation of the Debtors or their estates (and there is no continuity of enterprise between the Buyer and the Debtors); or (iv) be holding itself out to the public as a continuation of the Debtors. The Buyer is not acquiring or assuming any liability, warranty or other obligation of the Debtors, except as expressly set forth in the Purchase Agreement with respect to the Assumed Liabilities.

OO. The Debtor has good, valid and marketable title to all of the Acquired Assets. The Acquired Assets are to be transferred free and clear of any and all Released Liens, Claims and Interests (as defined in paragraph 12 below). All of the Acquired Assets are, or will on the Closing Date, be owned by the Debtor and will be transferred to the Buyer under and pursuant to the terms of the Purchase Agreement.

PP. All objections, if any, to the Sale Motion and to approval of the Purchase Agreement, including the transactions contemplated thereby, have been withdrawn, resolved or overruled.

Accordingly, and for good cause appearing therefor,

IT IS HEREBY ORDERED:

General Provisions

1. The Sale Motion is granted in its entirety, subject to the terms and conditions set forth in this Order.

2. This Court's findings of fact and conclusions of law, set forth in the Sale Procedures Order, are incorporated herein by this reference.

5. The terms, conditions, and transactions contemplated by the Purchase Agreement and all other ancillary documents are hereby approved in all respects.

6. The Debtor is hereby authorized and directed under 11 U.S.C. §§ 105(a) and 363(b), (c), (f), (m) and (n) to sell the Acquired Assets to the Buyer without further order of this Court.

fulfill the Debtor's obligations under the Purchase Agreement, all without further order of this Court.

8. The Sale of the Acquired Assets and the assumption and assignment of the Acquired Contracts identified in attached Exhibit 2 and the consideration provided by Buyer under the Purchase Agreement is fair and reasonable and shall be deemed for all purposes to constitute a transfer for reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act, and any other laws, rules or regulations of the United States, any state, county, township city, municipality, territory or possession, and the District of Columbia.

9. The Buyer shall not be required to seek or obtain relief from the automatic stay under Bankruptcy Code section 362 to enforce any of its remedies under the Purchase Agreement or any other Sale related document. The automatic stay imposed by Bankruptcy Code section 362 is modified solely to the extent necessary to implement the preceding sentence and the other provisions of this Order.

Transfer of Acquired Assets

12. Pursuant to sections 105(a), 363(b), 363(f), 365(b) and 365(f) of the Bankruptcy Code, the Debtor is authorized to sell the Acquired Assets to the Buyer in accordance with the Purchase Agreement, and to transfer, assign and convey the Acquired Assets to the Buyer on the “Closing Date” (as defined in the Purchase Agreement). Upon the Debtor’s receipt of the Total Consideration, such Sale, transfer, assignment and conveyance shall constitute a legal, valid, binding, and effective sale, transfer, assignment and conveyance of such Acquired Assets, which shall vest Buyer with all right, title, and interest of the Debtor to the Acquired Assets, free and clear of all (i) deeds of trust, mortgages, liens (as defined in section 101(37) of the Bankruptcy Code, and including but not limited to, mechanics’, materialmen’s and other consensual or statutory liens), financing statements and any other encumbrance accruing or arising at any time prior to the Closing Date (collectively, “Liens”), (ii) all debts arising under, relating to, or in connection with any act of the Debtors, all claims (as that term is defined in section 101(5) of the Bankruptcy Code), liabilities, obligations, demands, guaranties, options, rights, contractual commitments, interests, duties, covenants, actions, restrictions (including, but not limited to, any restriction on the use, transfer, receipt of income or other exercise of any attributes of ownership of the Acquired Assets and all debts arising in any way in connection with any acts of the Debtors), personal injury and other tort claims, covenants, defects, hypothecations, charges, indentures, loan agreements, instruments, leases, licenses, conditional sale or other title retention agreements, options, contracts, offsets, recoupment, rights of recovery, judgments, orders, and decrees of any court or governmental entity, successor, transferee, product liability, environmental, tax and other liabilities and claims of any kind or nature, any claims arising under the Workers Adjustment Restraining and Notification Act, 29 U.S.C. § 2101, et seq., or any collective bargaining agreements or other applicable law, and all causes of action and liabilities of any kind and nature, whether arising prior to or subsequent to the commencement of the Chapter 11 Case, in each case whether known or unknown, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, secured or unsecured, senior or subordinate, legal or equitable, or created or imposed by agreement, understanding, judgment, law, equity or otherwise, including pursuant to environmental law, anti-trust law, labor law, *de facto* merger,

mere continuation, or substantial continuity (collectively, “Claims”), relating to, accruing or arising at any time prior to the Closing Date, and (iii) other interests or any other claim of any kind or nature whatsoever, including but not limited to, any theory of successor liability, successor-in-interest liability and claims, transferee liability (collectively, “Interests”). Such Liens, Claims and Interests shall exclude the Assumed Liabilities (as defined in the Purchase Agreement) and are collectively referred to as the “Released Liens, Claims and Interests.”

13. Except as explicitly authorized for payment by this Order, the Released Liens, Claims and Interests shall attach, as adequate protection to the holder thereof pursuant to 11 U.S.C. § 363(e), to the proceeds of the Sale, with the same priority, validity, force, effect and scope as of the petition date of the Debtor’s Chapter 11 Case, subject to any and all defenses, offsets, counterclaims and/or other rights of any party relating thereto; provided, however, that the Debtor shall disburse, or cause to be disbursed, the Sale proceeds directly from escrow to satisfy (i) the employee and vendor claims (as described in sections 10.2 and 10.4 of the Purchase Agreement), (ii) any outstanding property taxes relating to the Acquired Assets, subject to requirements of sections 2.3 and 6.1 of the Purchase Agreement), and (iii) Cure Costs, if any, with each such payment to be made concurrent with the Closing.

If any person or entity that has filed or recorded financing statements, mortgages, deeds of trust, mechanic’s liens, *lis pendens*, or other documents or agreements evidencing any Liens, Claims or Interests in, against or upon the Acquired Assets prior to the Closing Date of the Sale, in proper form for filing and executed by the appropriate parties, and has not executed termination statements, instruments of satisfaction,

releases of all Liens, Claims or Interest that the person or entity has with respect to the Acquired Assets, then on the Closing Date, or as soon as possible thereafter, (a) the Debtors are hereby authorized and directed to execute and file, or as appropriate record, such statements, instruments, releases and other documents on behalf of the person or entity with respect to the Acquired Assets and (b) the Buyer is hereby authorized on behalf of each of the Debtor's creditors, to file, register, or otherwise record a certified copy of this Order, which, once filed, registered or otherwise recorded, shall constitute conclusive evidence of the release of all Claims, Liens and Interests in, against, or upon the Acquired Assets of any kind or nature whatsoever.

16. All entities who are presently, or on the Closing Date may be, in possession of some or all of the Acquired Assets (other than the Deposit and the Excluded Assets under the terms of the Purchase Agreement) are hereby directed to surrender possession of the Acquired Assets to the Buyer on the Closing Date, with the Liens, Claims and Interests of such entity to be satisfied solely from the proceeds of the Sale of the Acquired Assets.

17. On the Closing Date, this Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance and transfer of the Acquired Assets or a bill of sale transferring good and marketable title in the Acquired Assets to Buyer. Each and every federal, state, and local governmental agency or department is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the recorder to act to cancel any Released Liens, Claims or Interests of record.

18. This Order is and shall be binding upon and shall govern the acts of all persons and entities, including, without limitation, (i) all filing agents, (ii) filing officers, (iii) title agents, (iv) title insurers, (v) recorders of mortgages, (vi) recorders or registrars of deeds, deeds of trust, financing statements and security agreements, (vii) administrative agencies, (viii) secretaries of state, (ix) federal, state and local governmental authorities, agencies, departments, and (x) all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or

who may be required to report or insure any title or state of title in or to any lease. Each of the foregoing persons and entities is hereby directed to accept for filing and recordation any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement. If any such person or entity fails to comply with the provisions of this paragraph, such person or entity shall nonetheless be bound to any and all documents necessary or desirable to effect the transactions contemplated under the Purchase Agreement.

19. All persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, police and regulatory authorities, lenders, trade creditors, judgment holders, litigation claimants and other creditors, holding Liens, Claims or other Interests of any kind or nature whatsoever against or in all or any portion of the Acquired Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinate), arising under or out of, in connection with, or in any way relating to the Debtor, the Acquired Assets, the operation of the Debtor's business prior to the Closing Date or the transfer of the Acquired Assets to the Buyer, hereby are permanently barred, estopped and enjoined from asserting against the Buyer, the Buyer's successors or assigns, or the Acquired Assets, any such persons' or entities' Released Liens, Claims or Interests in and to the Acquired Assets, including, without limitation, the following actions: (i) commencing or continuing in any manner any action or other proceeding against the Buyer, any of its affiliates, its successors, assets or properties; (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order against the Buyer, any of its affiliates, its successors, assets or properties; (iii) creating, perfecting, or enforcing any Lien or other Claim or Interest against the Buyer, any of its affiliates, its successors, assets, or properties; (iv) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due the Buyer, any of its affiliates or its successors; (v) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this Order or other orders of this Court, or the agreements or actions contemplated or taken in respect thereof; or (vi) revoking, terminating or failing or refusing to transfer or renew any license, permit or authorization to operate any of the Acquired

Assets or conduct any of the businesses operated on or through the Acquired Assets. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtor to sell and transfer the Acquired Assets to the Buyer in accordance with the terms of the Purchase Agreement and this Order.

Acquired Contracts and Real Property Leases

20. Pursuant to sections 105(a) and 365 of the Bankruptcy Code, and subject to and conditioned upon the Closing of the Sale as contemplated under the Purchase Agreement, the Debtor's assumption and assignment to the Buyer, and the Buyer's assumption on the terms set forth in the Purchase Agreement, of the Acquired Contracts specified in this Order and as identified in Exhibit 2 hereto is approved, and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are deemed satisfied.

21. The Debtor is authorized in accordance with sections 105(a) and 365(a),(f) and other relevant provisions of the Bankruptcy Code to (a) assume and assign to Buyer, effective upon the Closing of the Sale as contemplated under the Purchase Agreement, the Acquired Contracts specified in Exhibit 2 to in this Order; and (b) execute and deliver to the Buyer such documents or other instruments as may be necessary to assign and the Acquired Contracts specified in this Order.

22. Any Cure Costs due and owing on account of the assumption and assignment of the Acquired Contracts set forth in the Purchase Agreement and specified in Exhibit 2 to this Order, shall be paid by the Debtor out of the Sale proceeds in accordance with paragraph 13 of this Order. The payment of the applicable Cure Costs, in the amounts set forth in Exhibit 2 hereto, shall (a) effect a cure of all defaults existing thereunder as of the date that such Acquired Contract is assumed and (b) compensate for any actual pecuniary loss to such non-Debtor party resulting from such default. To the extent that any counterparty to an Acquired Contract did not object timely to its Cure Costs in accordance with the Procedures Order, such counterparty is deemed to have consented to such Cure Cost and the assignments of its respective Acquired Contract to the Buyer.

23. The failure of the Debtor or the Buyer to enforce at any time one or more terms or conditions of any of the Acquired Contracts set forth in Exhibit 2 hereto shall not be a waiver of such terms or conditions, or of the Debtor's and Buyer's rights to enforce every term and condition of the such leases and contracts.

24. Except as expressly provided for in this Order or the Purchase Agreement, the Buyer shall not have any liability for any obligations of the Debtor arising under or related to the Acquired Assets. Without limiting the generality of the foregoing, and except as otherwise specifically provided herein, in the Purchase Agreement, the Buyer shall not be liable for any Claims against the Debtor or any of its predecessors or affiliates, and the Buyer shall have no successor or vicarious liabilities of any kind or character, including, but not limited to, under any theory of antitrust, environmental, successor or transferee liability, labor law, *de facto* merger, mere continuation, or substantial continuity, whether known or unknown as of the Closing Date, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether liquidated or unliquidated, including, but not limited to, liabilities on account of warranties, liabilities relating to or arising from any environmental laws, and any taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the operation of any of the Acquired Assets prior to the Closing Date.

25. Other than as authorized by the Bankruptcy Code, any provisions in any of the Acquired Contracts identified in attached Exhibit 2 that prohibit or condition the assignment of such Real Property Leases or Acquired Contracts, or that allow the counterparty to such leases and contracts to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such lease or contract, constitute unenforceable anti-assignment provisions that are void and of no force and effect. There shall be no rent accelerations, assignment fees, increases or any other fees, amounts or costs charged to the Buyer or the Debtor as a result of the assumption and assignment of the Acquired Contracts. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtor and assignment to the Buyer of the Acquired Contracts have been satisfied. On the Closing Date, in accordance with sections 363 and 365 of the Bankruptcy

Code, the Buyer shall be fully and irrevocably vested with all right, title and interest of the Debtor under the Acquired Contracts.

26. On the Closing Date (i) the Acquired Contracts identified in attached Exhibit 2 will remain in full force and effect, (ii) no default shall exist under the Acquired Contracts nor shall there exist any event or condition which, with the passage of time or giving of notice, or both, would constitute such a default, (iii) the Buyer shall be deemed to be substituted for the Debtor as a party to the applicable Acquired Contracts, and (iv) the Debtor shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability under the Acquired Contracts.

27. The Buyer has provided adequate assurance of future performance under the relevant Acquired Contracts within the meaning of sections 365(b)(1)(C), 365(b)(3) (to the extent applicable) and 365(f)(2)(B) of the Bankruptcy Code.

28. Pursuant to sections 105(a), 363 and 365 of the Bankruptcy Code, all counterparties to the Acquired Contracts identified in attached Exhibit 2 are forever barred and permanently enjoined from raising or asserting against the Debtor or the Buyer any assignment fee, default, breach or claim or pecuniary loss, or condition to assignment, arising under or related to the Acquired Contracts existing as of the Closing Date or arising by reason of the Closing.

Other Provisions

29. The procedures set forth in the Sale Motion whereby the Debtor may solicit, evaluate, and accept or reject overbids are approved in their entirety and are deemed to have been complied with in all respects relating to the Sale transaction contemplated by the Purchase Agreement.

30. The Sale, as contemplated by the Purchase Agreement, is undertaken by the Buyer without collusion and in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of such Sale, unless and solely to the extent such authorization and such Sale are duly stayed pending such appeal. The

Buyer is a good-faith buyer of the Acquired Assets within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of section 363(m) of the Bankruptcy Code.

31. Nothing contained in any plan of reorganization or liquidation, or order of any type or kind entered in (i) the Chapter 11 Case, (ii) any subsequent chapter 7 case into which the Chapter 11 Case may be converted, or (iii) any related proceeding subsequent to entry of this Order, shall conflict with or derogate from the provisions of the Purchase Agreement or the terms of this Order.

32. To the extent that this Order is inconsistent with any prior order or pleading with respect to the Sale Motion in the Chapter 11 Case, the terms of this Order shall govern.

33. This Order shall govern if there is any inconsistency between the Purchase Agreement (including all ancillary documents executed in connection therewith) and this Order. All of the provisions of this Order are non-severable and mutually dependent.

34. The Purchase Agreement and any related agreements, documents or instruments may be modified, amended or supplemented by the parties thereto, in a writing signed by such parties, and in accordance with the terms and conditions of the Purchase Agreement, without further order of this Court; provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtor or its bankruptcy estate.

35. So long as the Chapter 11 Case remains open, this Court shall retain jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order and the Purchase Agreement, all amendments thereto and any waivers and consents thereunder and each of the agreements executed in connection therewith to which the Debtor is a party or that has been assigned by the Debtor to the Buyer, and to adjudicate, if necessary, any and all disputes, controversies or claims concerning or relating in any way to the Sale, including, but not limited to, retaining jurisdiction to (i) compel delivery of the Acquired Assets to the Buyer; (ii) interpret, implement and enforce the provisions of this Order; (iii) resolve disputes concerning the Purchase Agreement, (iv) protect the Buyer against any Released Liens, Claims

or Interest, and (v) enter any orders under sections 363 or 365 of the Bankruptcy Code with respect to the Acquired Contracts identified in attached Exhibit 2.

36. The failure specifically to include any particular provision of the Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provisions, it being the intent of this Court that the Purchase Agreement be authorized and approved in its entirety.

37. No bulk sales law or any similar law of any state or other jurisdiction applies in any way to the Sale transactions contemplated by the Purchase Agreement.

38. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

39. This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, and any other applicable rule or law, this Court expressly finds that there is no just reason for delay in the implementation of this Order, waives any stay, and expressly directs entry of this Order as set forth herein.

40. The Debtor shall execute whatever documents are reasonably requested or required by Buyer and any other party to effectuate the terms, conditions, and obligations of this Order.

IT IS SO ORDERED.
